

Virtuoso Piano

Description

The vibrating, authentic grand piano for iPod touch and iPhone — with adjustable reverb, automatic time stretch, master tuning, and fully configurable keyboard.

****Apple: Staff Favorite 2009 - Top 5 Paid Music App****

(Limited Offer - Introductory Price)

Be the maestro with Virtuoso Piano, a new iPod touch and iPhone instrument. Play breathtaking nocturnes in soft mode. Or ground shaking legatos with up to five fingers. Change the tuning with one flick of your fingers. Adjust the reverb mix to change the acoustical environment. Slide your fingers to roll the keys. And when you have the perfect tune, record it. Everything that made the grand piano the majesty of instruments now fits in your pocket.

FEATURES:

- 7 octaves of sampled concert grand piano
- Master tuning
- Soft (una corda) and sustain (damper) mode with separately sampled sounds
- Adjustable keyboard size (up to 4 octaves)
- Built-in advanced metronome
- Automatic tempo conversion
- Built-in reverb with adjustable mix level
- Optional iPod mode - if turned on you can not play in silent mode (iPhone only)
- Key labels with universal nomenclature and color indication
- Record, save and playback with customizable project names
- Overdubbing for complex recordings
- Play chords with up to 5 fingers
- Slide your fingers to roll the keys
